CONFERENCE GUIDE

Summer 2023

SouthAlabama.edu/Housing

WELCOME!

Thank you for considering USA Housing for your summer conference needs! We provide housing accommodations to a variety of visiting groups including youth, adult, athletic, and academic organizations. This guide has been developed to assist you in planning your stay on campus and to inform you of resources available to you as a conference guest.

If you have any questions, please feel free to browse the [Conference section](#) of our website, or contact USA Housing at 251-341-HOME (4663) and press '0' to speak with the first available team member. You can also email our conference team directly at conferencehousing@southalabama.edu.

CONFERENCE HOUSING TEAM

USA Housing is committed to providing seamless communication at all levels. The following team members are involved in the planning, preparation, implementation, and evaluation of all Conference Housing processes.

Assistant Director, Marketing & Communications

The Assistant Director, Marketing & Communications, is responsible for the overall management of the Conference Housing program and will be the first person in contact with you regarding your stay. This team member coordinates all planning, including administering the reservation process, creating pre-conference invoices, receiving guaranteed count forms, and answering questions prior to a group's arrival. The Assistant Director, Marketing & Communications, also oversees the conference billing process and supervises the entire Conference Housing team. They are available to you for any concern that may arise during your stay on campus.

Summer 2023 Contact Information:

Lauren McAnally, Assistant Director, Marketing & Communications
lmcanally@southalabama.edu, 251-341-3814

Conference Housing Area Coordinator/Community Director

The assigned Area Coordinator or Community Director for Conference Housing are either post-graduates or graduate-level students with professional experience within USA Housing. This team member directly supervises the Conference Assistants (CAs) and reports to the Assistant Director, Marketing & Communications.

Conference Assistants (CAs)

Conference Assistants (CAs) are undergraduate students that work full time for the Conference Housing team. They assist with room preparation, check-in, check-out, and are available on-call for emergencies each night. You will also see CAs working at the Conference Housing Community Desk. CAs are students at South, so they are helpful to consult with questions about navigating South's beautiful campus.

Conference Housing Community Desk

The Conference Housing Community Desk operates Monday through Friday, 8:00 AM – 5:00 PM, during your stay on campus. CAs are available to assist guests that are locked out of their rooms, to place work orders in the event that there is a facility concern, and more. CAs staff the Conference Housing community desk under the supervision of the Conference Housing Area Coordinator/Community Director.

RESERVATION PROCESS

This section will help you understand the steps required to complete your Conference Housing reservation. Groups should plan to complete their reservation as soon as possible in early Spring as groups late to the reservation process generally have fewer options with the room/building availability. **The Summer 2023 deadline to finalize a reservation with a returned signed quote is April 3, 2023.**

Dates of Operation

Conference Housing availability each year is based on South's Academic Calendar and USA Housing Facilities summer renovation timeline. **The Summer 2023 dates of operation are May 29, 2023 – July 21, 2023.** These dates can also be found by visiting our [Conference Housing Planning](#) webpage.

Use of University Conference Housing

Conference Housing is available to groups with educational and recreational objectives for resident conferences, meetings, and seminars being conducted on the University of South Alabama campus. This is limited to groups which are sponsored by a University of South Alabama academic or administrative department. All information requested must be provided, and if conference guests are under college-age (17 years or younger), a designee of the conference (supervisor/chaperone) must be physically present in the hall(s) during the time of the conference (including overnight).

Rates and Payments

Daily rates are assessed on a per night, per person basis. Daily rates include options for single or double occupancy rooms as well as other room types depending on the season's availability. [Click here for a full list of rates.](#) Rates are subject to change. Payment for all charges related to the conference must come from either the conference sponsor or the coordinator after the event. The University requires that payments be made within thirty (30) days from the date of the final invoice. Payments may be made by departmental transfer, by group check, or credit card (all major credit cards accepted). Conference Housing does not accept payment from individual guests. Groups with a previous record of delinquent payments may be required to make an advance payment equivalent to the value of guaranteed rooms and will not receive priority scheduling the following year. All invoices which are thirty (30) days past due are subject to an additional charge of 10% of the original invoice.

Reservation Request Form

[Click here](#) to find the Reservation Request Form online. This form will request different pieces of information. One reservation should be submitted for each group/conference. Before completing the Reservation Request Form, you will want to make decisions or gather information about the following:

- Guest, staff, and/or chaperone number count
- Dates of arrival and departure for guests, staff, and/or chaperones
- USA sponsoring departmental contact information
- Preference on building location and room type
- How you want your guests to be assigned rooms (i.e. who will be roommates or single occupancy)

Completing a Reservation Request Form in non-binding; a group can cancel a reservation by providing written notice to the Assistant Director, Marketing & Communications, a minimum of ten (10) days before the scheduled date of arrival/check-in without incurring a charge (see “Cancellation” section below for more info). Information can be updated once a reservation is complete but groups should be prepared to provide final participant numbers and updated check-in/check-out times and locations no less than seven (7) business days in advance of your group’s arrival (see the “Guaranteed Count” policy on [page #](#) for more details).

Room, Floor, and Building Assignments

Room, floor, and building assignments will be determined by USA Housing on the basis of (1) application date – first come, first serve basis; (2) availability of space; (3) number of participants; (4) gender ratio; (5) type of group; (6) security; (7) custodial and maintenance servicing availability; (8) maximum utilization of space; (9) any existing University regulations requiring separation of sexes.

USA Housing agrees to notify the Group Coordinator of specific accommodation assignments as soon as possible. No discriminatory assignment practices on the basis of sex, age, disability, race, color, creed, religion, or ethnic origin will knowingly be applied by USA Housing.

Cancellation

Written notice of cancellation must be received by USA Housing to cancel a Conference Housing reservation. **If the coordinator cancels the reservation fewer than ten (10) days before the date the group is scheduled to arrive, the conference group will be assessed 10% of the estimated TOTAL AMOUNT of the cost of the conference as listed in the pre-conference quote (or most recently received update via email).**

The coordinator is highly encouraged to participate in a pre-conference meeting/discussion with the Assistant Director, Marketing & Communications, prior to the conference arrival in order to discuss expectations and processes.

PLANNING FOR YOUR ARRIVAL

After the reservation process is complete, your focus should turn to making your experience on campus as smooth as possible.

Communication

You will be contacted multiple times prior to your group's arrival to check-in. This will be to review details and expectations about your group's stay to ensure that details have not changed significantly since your reservation was made. You and the USA Housing Conference Team should discuss any special needs or concerns you may have about your stay on campus. Please exchange contact information (phone number/email) so that communication remains open.

Meeting Space and Common Areas

Where available, groups have priority on the common spaces in the buildings in which they are residing. Requests for common spaces usage should be indicated on the Reservation Request Form and are subject to approval by USA Housing. Please confirm with the Conference Housing team about any meeting space needs you may have for your check-in process. Conference groups are responsible for acquiring audio/visual needs as well as additional chairs or tables (if more are required than what is available in the meeting/common space). USA Housing will be able to review and describe any/all common spaces available nearby to your reserved building.

In situations where multiple conference groups may request the same common space at the same time, reservations will be made on a first come, first serve basis. Any lockable meeting, storage, or common space will be reserved for a rate of \$20 per night per group. Reserved common spaces must be vacated upon the group's check-out date/time and left in acceptable condition (i.e. all trash and personal items removed and furniture back in the original position).

Tables

Conference Housing are able to provide 1-2 tables for the check-in and check-out processes. If your group requires tables for your check-in, please list the need on the Reservation Request Form (or via an email update if the need arises after submitting the form). Availability of tables is not guaranteed and conference groups should be prepared to provide their own tables in the event the request for tables cannot be approved.

Supervision

If your guests include youth or high school ages, USA Housing requires your group to secure live-in supervision by chaperones during your stay. **The required ratio of supervision is one (1) supervisor/chaperone per ten (10) youth or high school participants (1:10 minimum & maximum).** Supervision should be provided at all times that participants are in the building(s). **Supervisors/chaperones that exceed**

the given ratio will be charged at the rate of a participant/guest. Private rooms for supervisors/chaperones may be available upon request and availability. Conference groups must provide a contact name and phone number for at least one person that be contacted in the event of an emergency at any time during the group's stay (including after-hours emergencies).

Individuals in supervision roles should be responsible for addressing discipline (such as noise problems or destructive/inappropriate behavior) and coordinating responses to emergencies, illness, or injury. Conference groups are required to report behavior concerns, emergencies, illnesses or injuries to Conference Housing staff. All potential crimes and missing persons shall be immediately reported to the USA Police Department (251-460-6312).

Conference Assistants (CAs) are available 24 hours a day while your group is on campus and serve as your group's liaison to handle lock-outs, emergencies, illnesses, injuries, or facilities emergencies. CAs are available by visiting the Conference Housing community desk (open M-F, 8am-5pm) or by calling the Conference Housing phone number (251-460-7943). CAs will be identifiable by wearing a USA Housing polo/t-shirt and a name tag.

Custodial Services

USA Housing agrees to have the number of bed spaces finalized on the Guaranteed Count form or Quote / Pre-Conference Invoice (whichever is received later) ready for group occupancy. Rooms will be cleaned and furnished with bed(s), dressers, desk and desk chair(s). Community restrooms are cleaned daily and common spaces (hallways, lounges, etc.) are cleaned on a regular basis. One shower curtain and one roll of toilet paper will be provided and waiting in the room upon arrival. It is recommended that you provide trash bags for each room to assist with clean up. Further supplies of toilet paper will be the responsibility of the group coordinator to arrange. **Cleaning of individual rooms during a camp/conference is not provided.**

Guaranteed Count

We know that sometimes the size of your group is smaller or larger than first planned and you may be concerned about billing or the availability of beds for your group. The Guaranteed Count process allows you to change the number of participants originally submitted with the reservation (and/or confirmed with the Quote / Pre-Conference Invoice) to reserve more or less beds and provide more accurate billing. This Guaranteed Count can be higher or lower than the number specified in your Quote / Pre-Conference Invoice (pending approval), however, Conference Housing should be updated and made aware weeks in advance of any major changes from your original estimation.

A **Guaranteed Count Form MUST** be submitted to Conference Housing seven (7) business days prior to your arrival to campus. This form serves to correct your

group's pre-conference quote and provides USA Housing with a more specific count of your participants. Any changes in the count of your participants must be approved by Conference Housing. Your group will be billed for either the guaranteed count number provided on the Guaranteed Count Form or the actual head count housed, whichever is greater. However, if the actual head count housed differs significantly enough (up to 25%) from your submitted Guaranteed Count (meaning you have a significant number of 'no-shows'), note that you will be charged for 75% of the submitted Guaranteed Count instead of the full head count housed.

If no Guaranteed Count Form is returned prior to the seventh business day before the conference is scheduled to arrive, the original number of spaces requested in your pre-conference quote will be used as the minimum amount of spaces that you are responsible for paying. If the actual head count housed differs significantly enough (up to 25%) from your pre-conference quote (meaning you have a significant number of 'no-shows'), note that you will be charged for 75% of the number of spaces instead of the full number of spaces detailed on the pre-conference quote.

USA Housing agrees to provide housing accommodations for the pre-conference quote count, unless a guaranteed count form has been received and approved by Conference Housing. If your group needs more rooms on the day the conference starts, USA Housing will try to provide additional space as space permits but this is not guaranteed.

Assignments

Closer to your arrival, Conference Housing will work with you to assign your participants. The participant assignment process is the most important task when planning for your group's arrival. Done correctly and on time, this process will alleviate stress throughout your stay. Currently, assignments are made via Microsoft Excel spreadsheets for all Conference Housing groups. Therefore, time is needed for you to prepare information before your group arrives. Excel will be used to create a roster of your participants that is used at check-in and check-out and is crucial to the billing process. Rosters are also used in the event of an emergency. For these reasons, it is necessary to have accurate assignments and rosters at all times.

Rosters

Rosters will be kept at the Conference Housing Office during business hours and with the Conference Assistant On-Call after hours and on weekends. A group's staff and chaperones are welcome to reference the roster, but rosters cannot be released to a group (copies can be arranged if needed for bed checks). Groups are encouraged to keep their own records of participant assignments. Conference staff is available at any time to cross-check rosters for accuracy.

Roster Modification

When granting space would interfere or obstruct long-range USA Housing plans, USA Housing reserves the right to modify room, floor, and/or hall assignments, to deny room or roommate change requests, and to limit or deny accommodations. After room finalization, there will be NO change in assignments made by Conference Housing except in the event of an emergency or room maintenance issues. Modifications caused by overbooking or variances to the originally submitted list of participants will be applied by USA Housing only after completed check-in of expected, pre-assigned guests.

The Coordinator is highly encouraged to participate in a pre-conference meeting with USA Housing staff prior to conference arrival in order to discuss the Conference Housing Guide and expectations.

PLANNING FOR YOUR ARRIVAL

No matter the size of your group, we are prepared to handle any number of questions or needs. The following information is designed to help you plan, organize and handle everything that occurs in the residence halls and apartments during your stay.

Check-In Process

A smooth check-in can set the tone for your entire stay on campus. Below is some information to help guide you through the check-in process. You have multiple options on how to handle housing check-in (method should be determined during your planning stage with your Conference Housing):

- **Coordinator Check-In:** Your group's coordinator or predetermined designee will receive all reserved room key packets for your group's stay ahead of the group's arrival/check-in. The date and time should be determined in advance with Conference Housing, preferably at the same time as the Guaranteed Count Form is submitted. **Once the group's coordinator or designee has been given the reserved room key packets, the group is immediately held responsible for their keeping.** With a Coordinator Check-In, the group's coordinator and other leaders/chaperones are responsible for conducting the check-in process with their group guests. Stations within the lobby of the building the group is housed can be arranged prior to the group's check-in (this should be discussed/requested in advance). Conference Housing will have staff available at the Conference Desk to provide assistance for issues such as maintenance concerns, key issues, etc.
- **Conference Desk Check-In:** If you are planning a check-in within the building in which your group is housed, Conference Housing is able to help oversee the check-in process. Please note that most conference housing buildings have large

spaces/lobbies for a check-in at the front desks/offices in which keys can remain at the building's community desk. The Conference Housing team will conduct the check-in and distribution of the room key packets to the guests. Note that depending on the group's headcount, this process may be split up into several stations found within the lobbies/large spaces.

Once the group has determined the appropriate check-in method and confirmed this method via email with Conference Housing, the group agrees to follow the check-in procedures structured by Conference Housing as follows:

- **Conference Housing staff will be available for up to a maximum of a two (2) hour check-in period.** This time **MUST** be prearranged with the Conference Housing Office before the scheduled check-in. The check-in period hours are limited in order to provide for optimal staffing.
- Unless you have planned otherwise, participants should check-in at the front desk of the building in which they are staying.
- Modifications caused by overbooking or variances to the originally submitted list of participants will be applied by USA Housing only after completed check-in of expected, pre-assigned guests.

PLEASE NOTE: Conference Housing is not able to facilitate multiple check-in times/days at community front desks. Groups who are unable to have all their participants check-in within the established 2-hour check-in period will be required to check-in via the Coordinator Check-In method.

Check-Out Process

An organized check-out is essential for record keeping and subsequent billing. Check-out is a quick, easy process but requires some coordination. We appreciate your assistance in informing your guests about the following check-out process:

- All participants must be checked out by a time previously determined in planning with Conference Housing.
- **Keys must be returned the day of a group's departure.** Failure to return a key on the day of a participant's departure will result in additional per person per night charges.
- Participants should remove all personal belongings, remove trash and other items (including signage, where applicable) and close and lock the room door.
- Original furniture must be in place.
- Conference Housing linens (where applicable) should be left in rooms.
- Groups may send participants individually to return keys to the front desk/office of your building (unless you have confirmed in writing via email an

alternative location with Conference Housing) OR the group will have one of its representatives collect all keys and submit them to Conference Housing at once.

- Immediately after your group's departure, Conference Housing staff will inspect vacated rooms for damages, trash and missing items. Pictures will be taken of any trash or damage reports. Any group, which fails to leave the rooms in the manner stated above, will be subject to additional fees for each room or guest.

Conference Housing Office Operations

The Conference Housing Office is staffed Monday through Friday, 8AM. – 5PM during the entire conference season and serves a variety of roles. The following are topics that the Conference Housing Office staff is equipped to handle:

- **Campus Information:** Conference Housing Office staff can provide you with information, directions and resources to locate people and places around USA's campus.
- **Emergency Response:** If there is an emergency with your group, the Conference Housing Office staff can quickly contact USAPD for assistance. Conference Housing Office staff can also dispatch on-call staff to assist you with any incidents or concerns.
- **Keys:** Conference Housing Office staff can sign out a replacement or spare key to a participant.
- **Maintenance Requests:** should there be facilities concerns anywhere in the building (rooms, bathrooms, common spaces), please let the Conference Housing Office staff know. Conference Housing Office personnel will either place a work order or speak with our Housing Facilities staff to address the issue. We will work to remedy the situation as quickly as possible with the least disturbance to you. Please note that outside of the hours of 8AM – 5PM, the response time and/or ability is limited.

PLEASE NOTE: Emergency Facilities issues occurring between 5 PM and 8 AM, M-F or any time on Saturday or Sunday should be called in to the Conference Assistant On Call. These phone numbers will be provided to the group at, or prior to, check-in. Below is a list of what typically constitutes as an emergency and non-emergency:

Emergencies:

Electrical

- Power Outages
- Sparking or smoking outlet or fixtures
- No lighting in stairwell or bathroom

- Major leaks, flooding
- Continuously running toilet or shower
- A/C unit frozen or leaking/flooding
- Leaking sprinkler

Plumbing

- No water or No hot water

Locks and Doors

- Inability to lock room door

- Inability to open room or building door
- Building entrance is not secure due to broken door

Windows and Glass Doors

- Shattered, jagged, or missing glass on door or window

Heat and Air Conditioning

- Single room AC unit is out

Non-Emergencies:

Electrical

- A single light out in student room
- Single light out in hallway or stairwell

Plumbing

- Dripping faucet or showerhead
- Slow drain
- Slow filling or flushing toilet

Keys

USA Housing is committed to the safety and security of our guests and as a result, we enforce a number of policies and procedures involving keys and access to rooms. Participants should be advised to keep their doors closed and locked at all times. There are two types of key systems in our conference buildings: those utilizing standard keys (like a house key) and those utilizing swipe cards (like a “hotel” key).

- **Standard key system:** Participants in these buildings can expect one key. The metal key is specific to one room and where applicable, an interior stairwell door. Keys are marked with a code that does not identify the building or room; only USA Housing staff can trace the code to a particular room.
- **Swipe Card Access:** Participants in these buildings can expect one key and one access card attached to a key pouch. This plastic access card will grant participants access to the exterior doors to the building. Exterior doors are locked 24-hours a day, 7 days a week with the exception of the front center doors to the building where the Conference Housing Office is located each summer (these doors are unlocked Monday through Friday, 8AM – 5PM as the office is staffed during this time).
- Only assigned participants of a room can receive keys or sign out a spare/ replacement key to that room. Participants should make all attempts to provide identification. If no identification can be provided, a conference group staff or chaperone must be available to verify the participant’s identity, or right of entry to a room.
- Occasionally, participants may lose track of their keys. Conference Housing staff can sign out a spare key in the event that the participant is simply locked out of his/her room. There is no fee to “rent” a spare key (unless this key is lost, see below), but there will be a small amount of paperwork to complete and the participant should return the spare key immediately.
- For safety and security purposes, lost keys should be reported immediately to the Conference Housing staff or the CA On-Duty. In the case of a lost standard key, a work order will be placed immediately to change the door lock and the spare will be signed out in the meantime. The conference group will be charged for any/

all lock changes on the final invoice (\$75.00/per key). In the case of a lost swipe card, the Conference Housing staff will cancel the original card and re-issue a card for a fee of \$10.00 charged back to the group with the final invoice.

- Lending a key to another individual to allow him/her to gain entry creates a breach of security and is a violation of entry procedures.
- USA Housing will **NOT** provide “master” keys to groups.
- Guests are restricted from entering halls/buildings other than the one(s) they are assigned to, unless given permission by supervisors/chaperones and/or Conference Housing.
- Conference Housing staff and/or the CA On-Duty is available to troubleshoot problems with keys and access cards.

POLICIES

It is our goal to provide a safe, comfortable environment for all of our guests. As such, all conference group leaders, chaperones and participants are expected to review and abide by the following policies. Conference Housing staff will enforce the USA Housing policies and will notify group staff/chaperones of any violations. Conference groups are free to develop policies of their own (bed checks, ban on food deliveries), however, enforcement of those policies must come from the conference group itself.

[**CLICK HERE TO READ THE CURRENT USA HOUSING POLICIES & COMMUNITY STANDARDS.**](#)

SAFETY

Safety is a top priority at South Alabama. The University campus is staffed by a 24-hour, 365 day a year professional police force that is available to handle emergency situations. However, safety is a shared responsibility. As such, we expect conference groups to be prepared in the event of an emergency. Please review the following safety policies, procedures and recommendations and share with your group’s chaperones, staff, and participants:

Emergency Evacuation

Conference guests are required to evacuate buildings in the event of a fire alarm or other emergency. Evacuation procedures are posted in the buildings.

Fire Alarm/Emergency Situations

If the fire alarm sounds, please be prompt in evacuating the building via stairwells. Conference Housing staff will address the alarm/fire. For any emergency situation, contact USAPD at 251-460-6312. Do not tamper with the fire alarm equipment under any circumstances. Please do not exit through labeled alarm doors unless there is an emergency situation.

Safety/Security/Fire Equipment

Safety equipment including sprinklers, smoke detectors, heat sensors, fire exit signs, fire extinguishers, pull stations, hoses, alarm bells, and any other safety equipment is necessary to safeguard guests. Activating, handling, using, or interfering with any fire or safety equipment for any reason other than an emergency is prohibited at all times. Examples include but are not limited to discharging fire extinguishers, touching fire alarm pull stations or fire hoses, hanging objects from sprinkler heads, or striking safety equipment with an object.

Security

Conference Housing security is a shared responsibility. Always lock your door and carry your keys. Do not unlock or prop open exit doors. Report suspicious persons to the Conference Housing Office (251-460-7926). Avoid going out alone at night and always carry an ID and emergency numbers with you.

Sprinkler System

Most rooms in the residence halls and apartments have a sprinkler system. Do not tamper with the heads protruding through the ceiling or wall. If the red glass cylinder is broken, a large amount of water will flow through this head and damage everything in the area, possibly including other rooms. Do not hang anything on the sprinkler head, as it could cause the glass to break and start the water flowing. If a sprinkler head is broken from guest negligence, the guest/group is responsible for all damages incurred. The sprinkler system is also tied into the USA's central system, which notifies the police that there is a fire in the building and activates the building alarm. If you notice any leaking from your sprinkler system contact the Conference Housing Office immediately to report the problem.

Severe Weather Procedures

In case of severe thunderstorms or tornadoes, you should immediately move to the interior of your residence hall or apartment, away from windows. In the event of a hurricane, the University will provide instructions via the Conference Housing staff. In all severe weather situations, be sure to stay in contact with and follow the instructions of Conference Housing staff members.

AFTER YOUR STAY

Billing

Your conference group will be billed as a whole upon completion of the conference. Billing charges will be computed by the Assistant Director, Marketing & Communications with payment due to USA Housing within thirty (30) days of the final invoice date. The conference will be charged the nightly rate for every key in its possession or if the room key has been returned, but the room has not been completely vacated (contents in room or use of room). If an attendee checks out during the course of the conference or if a meeting room is not in use, a credit will only be issued if the space is completely vacated and the room key returned.

to the Conference Housing staff. Billing will include an itemized list of housing accommodations; cost of repair of any damages to campus facilities occurring during the conference; lost, unreturned or damaged keys; and lost, unreturned, or damaged linen. Final Invoices will be sent via email to the billing contact on record. All payments 30 days past due will be subject to an additional fee of 10% of the original invoice amount.

Assignment Definitions

The fee charged each registrant for conference services will be based on the type of space and the number of nights the space was occupied unless the fee is otherwise determined by USA Housing. A double room is designated as a room with two persons, generally with two twin beds. While a single room may have one or two beds present, it is designated as a room assigned to only one person. A minimum of two participants is required to obtain the double occupancy conference rate.

Extension of Stay

Check-in/check-out arrangements for conference participants who stay additional nights, either before or beyond the group check-in/check-out, must be fully coordinated with Conference Housing staff. Participants who request to stay additional nights may be billed additional rates. Participants within this category may be required to change rooms in order to avoid conflicts with other conferences that have booked for the same rooms for the next conference. The group sponsor will be billed for any groups checking in early or departing later than the scheduled dates.

PLEASE be sure to review the Guaranteed Count policy earlier in this guide, as it may impact the total amount of your final invoice.

CLEANING/DAMAGE CHARGE LIST

Your group coordinator agrees to compensate the University for any negligent or intentional breakage of furnishings or damage to a room, common area, or any other part of a facility occupied by the coordinator's group. A damage charge list is included in this Conference Housing Guide. Any such charges/damages incurred throughout the course of the group's stay will be included in the overall Conference Invoice after check-out.

The Cleaning and Damage charges below are material costs plus punitive fees between \$25.00 and \$75.00. The punitive fees were set by frequency and severity of certain issues.

NOTE: These charges are minimum charges. Depending on the severity of the damage, charges could be more than the listed amount. Charges vary by building. Charges are subject to change at any time without notice.
