

University Assessment Advisory Committee
Monday, January 26th: 10am - 2pm

Agenda

10:00

Welcome and Introductions

10:10

General impressions, comments, and concerns about the Strategic Plan, Performance Indicators, and/or Scorecard, in general

10:25

Goal 1

- a) Questions/comments about individual performance indicators, charts, graphs, tables, etc.
- b) Are we tracking the right performance indicators to assess the institution's performance on the objective/goal? What suggestions do you have (additions, modifications, deletions)?
- c) Would you recommend any revision to the objective/goal?
- d) Based on the performance indicators, how would you characterize the institution's performance on the objective/goal?

11:10

Goal 3

- a) Questions/comments about individual performance indicators, charts, graphs, tables, etc.
- b) Are we tracking the right performance indicators to assess the institution's performance on the objective/goal? What suggestions do you have (additions, modifications, deletions)?
- c) Would you recommend any revision to the objective/goal?
- d) Based on the indicators, how would you characterize the institution's performance on the objective/goal?

11:55

Break/Lunch

12:10

Goals 2, 5, and 6

- a) Questions/comments about individual performance indicators, charts, graphs, tables, etc.
- b) Are we tracking the right performance indicators to assess the institution's performance on the objective/goal? What suggestions do you have (additions, modifications, deletions)?
- c) Would you recommend any revision to the objective/goal?
- d) Based on the indicators, how would you characterize the institution's performance on the objective/goal?

12:45

Discussion Item: Distillation of performance indicators to a scorecard that represents the Presidential Priorities (see page 1 and 2 of the Scorecard for Presidential Priorities)

1:15

Discussion Item: Getting to strategic planning and performance indicator alignment across the university
