The Baugh Biomedical Library currently is housed in two locations: the Baugh Biomedical Library Building on the main campus, and the Health Information Resource Center located on the third floor of the USA Medical Center. The Biomedical Library collections are designed to serve the curricula, research and patient care needs of the College of Medicine, Covey College of Allied Health Professions, College of Nursing, USA Hospitals, and Mitchell Cancer Institute.

* Biomedical Library in scope journals and databases.

** Includes all Health Science titles in A-Z packages which were not included in previous counts.
