[] In Country Change of Status

This does not require departure from the US but will require you to pay for premium processing as non-premium processed changes of status take on average 18 months and you must have the change of status approved by your start term. Please be aware that you will not receive a visa sticker in your passport, so you would not be able to exit and re-enter the US without attending a visa interview at a US consulate abroad

[] Out of Country Change of Status

This is the change of status mechanism recommended by the Office of Immigration. You would need to depart the US, attend a F-1 visa interview at a US consulate outside the US, and then could re-enter the United States no more than 30 days prior to your program start date as listed on your I-20.
