Legal Nurse Consulting
A new VALUE to YOUR nursing career

Why YOU should become an LNC
Job flexibility
Increase your income
Work in the exciting fields
of law and medicine
Start a second career

About This Course
This certificate is designed for RNs who want to gain knowledge on the varied aspects of the Legal Nurse Consultant’s role.

Over the course of the four modules, you will explore the following topics:

• Legal and medical research
• Analysis report writing
• Writing for discovery and trials
• Litigation process
• Administrative law for healthcare environments
• Trial preparation
• Health law (medical malpractice)
• Starting your LNC business
• Marketing your LNC services

What LNCs Do
LNCs are frequently contracted by attorneys or insurance companies to:

• Conduct medical-legal research
• Serve as expert nursing witnesses
• Review charts for medical insurance companies
• Assist attorneys in trial preparation
• Assist their own in-house counsel
• Assist risk management departments as a consultant or in-house

LNCs Work For

• Plaintiff or defense attorneys
• Hospital/Ambulatory Care/Clinics in Legal, Risk Management, HR
• Insurance companies/HMOs
• State Boards of Nursing and state nurses associations
• Federal and state agencies
• Office of Social Security
• Forensic settings
• Court systems

Instruction Team
Lead instructor for the USA LNC Certificate Program is Tonia D. Aiken, RN, BSN, JD, who has extensive experience in both the nursing and legal fields. Together, Tonia and other regional experts in law and healthcare, will bring you a highly interactive, educational experience.
