WHEREAS, the Board of Directors of the Corporation is authorized to nominate new directors consistent with the aforesaid for consideration and election to said Board of Directors by the Board of Trustees of the University, and

WHEREAS, due to a Director's resignation, the Board of Directors of the Corporation has nominated for consideration and election by the Board of Trustees of the University Mr. E. companies employing 560 staff members are tenants of the Park. He said that Park facilities consist of 265,000 square feet. Photos were shown, as well as an aerial rendering of the Park complex. He talked about the necessity for an aggressive approach to storm water management in this area. Ms. Miree inquired about plans to build a hotel. President Moulton responded that the idea of a hotel is still open for discussion. He reminded the Board that, in December 2008, the Board granted approval for the President to engage an architect to determine the feasibility of constructing a hotel, conference center, and fitness/wellness complex. He discussed a provision for wetlands mitigation that permits the removal of a wetlands area as long as another is created.

President Moulton called upon Mr. George Davis, President of the USA National Alumni Association, to present **ITEM 12** as follows. Mr. Davis expressed enthusiasm for the completion of the Bell Tower and Alumni Plaza. He informed Board members that, in June, the Alumni Association Board of Directors approved a resolution recommending that the visibility of the tower be preserved. He said that the Bell Tower will be a wonderful location for gatherings. It was noted that campus elevations vary in all directions. On motion by Ms. Miree, seconded by Mr. Peek, the resolution was unanimously approved.

**RESOLUTION  
POLICY FOR PRESERVING VISIBILITY OF THE BELL TOWER**

**WHEREAS**, the University of South Alabama has undertaken the building of the bell tower to serve as the preeminent landmark in the skyline of its campus, and

**WHEREAS**, the preservation of the visibility of the bell tower is essential to fulfilling its function as a landmark and future building and landscaping on campus have the potential to interfere with sight lines to the bell tower,

**THEREFORE BE IT RESOLVED**, plans for future building on campus must locate and limit the height of structures and plantings so as to maintain the preeminence of the bell tower in the campus skyline.

Mr. Wayne Davis presented **ITEM 13** as follows. He discussed the costs of the TIAA-CREF Matching Plan, a supplementary retirement plan for employees having achieved a specified rank and salary, and the savings potential should new employees hired after October 1, 2009, be excluded from participating. Under the recommendation, those enrolled will not be affected. Employees who are eligible but not currently enrolled have been given ample notification of the deadline by which to subscribe. On motion by Ms. Maye, seconded by Mr. Yance, the resolution was unanimously approved.

**RESOLUTION  
REVISION OF UNIVERSITY OF SOUTH ALABAMA TIAA-CREF MATCHING PLAN**

**WHEREAS**, the University of South Alabama, in 1964, authorized the participation of certain employees in the Teachers' Insurance and Annuity Association/College Retirement Equity Fund (TIAA/CREF) pursuant to an elective salary reduction arrangement under which matching funds are available, and

WHEREAS, on November 30, 1967; on October 24, 1980; on January 1, 1986; on January 1, 1987; on October 1, 1989; on June 27, 1991; on June 8, 2006; and on December 11, 2008, the program was changed, and

WHEREAS, as a budget reduction measure, the University Resources Planning Committee (URPC) has recommended to the President that the practice of providing matching funds for certain employees hired on or after October 1, 2009, and for currently eligible employees who do not elect to participate in the plan prior to October 1, 2009, be terminated, and

WHEREAS, the URPC further has recommended to the President that if the financial condition of the University should worsen, the University suspend matching funds for currently participating employees until further notice and, when financial conditions permit, reinstate the plan for those participating as of the suspension date, and

WHEREAS, no changes to the Matching Plan are proposed other than those described above and as detailed in the attached recommendation of the University Resources Planning Committee,

THEREFORE, BE IT RESOLVED, that the Board of Trustees approves the proposed revisions to the University of South Alabama TIAA-CREF Matching Plan and authorizes the President to implement said revisions accordingly.

Mr. Wayne Davis presented **ITEM 14**, the University budget for 2009-2010 (refer to **APPENDIX A** for copies of policies and other authorized documentation). He noted that the budget was discussed in detail at the Committee of the Whole meeting held on September 16, and reviewed the budget recommendation as Board members examined the corresponding materials. He explained that, given the likelihood that proration would be announced, the University faces a deficit budget for the coming year. He discussed varying scenarios of appropriation reductions which the Governor could mandate and how the University's budget would be affected. He reported that the budget for consideration assumes a \$10.2 million deficit. He added that, given the concern of decreasing state revenue, it is reasonable to plan that further proration may be imposed during the year. He said that if 10 percent proration were to occur, the University's deficit would be \$21 million. He noted, however, that the University's conservative fiscal approach over the years has resulted in adequate reserves to deal with the ensuing budget crisis for the present time. A history of state appropriations was outlined, as well as cost-cutting measures implemented by the University and highlights of the current budget year. Mr. Davis assured Board members that the recommended budget is responsible. On motion by Mr. Langham, seconded by Mr. Peek, the budget was unanimously approved. President Moulton acknowledged that adopting a deficit budget is not preferable, and added that the Administration had been diligent to analyze the advantages and disadvantages of relying on University reserves in order to maintain existing programs and services without sacrificing quality, as well as limiting or eliminating University offerings. He asserted the necessity of arriving back at a balanced budget as soon as possible. Brief discussion took place about how the University is addressing the filling of vacant positions deemed necessary amid the current hiring freeze.

President Moulton presented **ITEM 14.A**, reporting that, at its brief meeting on September 5, the Executive Committee unanimously approved naming the Engineering and Computing Sciences Building *Shelby Hall* in recognition of Senator Richard Shelby's efforts in garnering federal appropriations totaling \$40 million for construction of the building, and approved the awarding of the construction contract to the firm of Elkins Constructors, Inc., of Jacksonville, Florida, at a cost of \$28,854,000.

He stated that a preliminary report of the audit process for the 2008-2009 fiscal year was presented by Mr. Mark Peach and Ms. Ashley Willson of KPMG during the Committee of the Whole meeting on September 16. There was no discussion.

Mr. Ken Davis presented **ITEM 16**, a report on the independent audit of the USA Foundation Consolidated Financial Statements and the Disproportionate Share Hospital (DSH) Funds Combined Financial Statements, June 2009 and 2008. He indicated that the audit firm provided a clean, or unqualified, opinion of all financial statements, which reported net assets of the USA Foundation to be \$250 million, and DSH fund net assets of \$118 million.

President Moulton welcomed Ms. Dianne Marshall, retired Director of Publication Services, and husband, Allen, and conveyed fond sentiments and memories of Ms. Marshall's long history at the University. He read aloud **ITEM 17** as follows. On motion by Mr. Peek, seconded by Mayor Nix, the resolution was unanimously approved. Ms. Marshall thanked the Board and the Moultons for 37 years of opportunity and support. She expressed deep admiration for the University of South Alabama and its people.

**RESOLUTION

**B Y L A W S**  
**OF THE BOARD OF TRUSTEES**  
**OF THE UNIVERSITY OF SOUTH ALABAMA**

**PREAMBLE**

The Legislature of the State of Alabama has vested full management and control over the University of South Alabama in a Board of Trustees pursuant to Act No. 157, Acts of Alabama, 1963, Secondary Extraordinary Session; the Legislature has stated: "The Governor and the State Superintendent of Education. By virtue of their respective offices, the Trustees appointed from the senatorial districts of the state, enumerated in Section 2 of the subject Act, are constituted a public body corporate, under the name of the University of South Alabama to carry into effect the purposes expressed in the subject Act and to establish a state institution of higher education."(Code of Alabama, 1975, Section 16-55-1). For the purpose of providing a definitive and orderly form of governance, and in order to continue to carry out the purposes required of the Board of Trustees of the University of South Alabama, in the establishment and continuation of a state institution of higher learning, the Board of Trustees hereby does promulgate and adopt these Bylaws.

**ARTICLE I**  
**THE BOARD OF TRUSTEES**

The entire management and control over the University of South Alabama (hereinafter referred to as the "University") shall be vested in the Board of Trustees of the University of South Alabama (hereinafter referred to as the "Board"); however, upon general or specific authorization or delegation made or provided for in these Bylaws, the Board may exercise such management and control through the officers, officials, committees and agents as it may deem fit and appropriate, all in accordance with state law. The Board acts as a body politic and no individual member of the Board shall have the authority to act for the Board or for the University.

Section 1. **Composition of Board.** The Board consists of two ex officio members, the Governor and the State Superintendent of Education, by virtue of the offices that they hold; three members from Mobile County; three members from the State at large; and one member from each of the following State senatorial districts as defined at the time of legislative enactment in 1963: 21<sup>st</sup> District, comprised of Baldwin and Escambia Counties; 19<sup>th</sup> District, comprised of Choctaw, Clark and Washington Counties; 20<sup>th</sup> District, comprised of Marengo and Sumter Counties; 16<sup>th</sup> District, comprised of Monroe and Wilcox Counties; 30<sup>th</sup> District, comprised of Dallas and Lowndes Counties; 17<sup>th</sup> District, comprised of Butler, Conecuh and Covington Counties; 25<sup>th</sup> District, comprised of Coffee and Crenshaw Counties; 23<sup>rd</sup> District, comprised of Dale and Geneva Counties; and the 35<sup>th</sup> District, comprised of Henry and Houston Counties.

Section 2. **Election and Term of Office.** Ex officio Trustees serve their terms of office in correspondence with their respective offices held in the State of Alabama. In accordance with the statute creating the University of South Alabama, the Trustees are appointed by the Governor, by and with the advice and consent of the State Senate, and hold office for a term of twelve years, or until their successors shall be appointed and qualified. There are three classes of board members, so that one-third of the members of the Board is appointed every four years. Vacancies occurring in the office of Trustee, from death or resignation, and the vacancies regularly occurring by expiration of the term shall be filled by the Governor, and the appointee holds office until the next meeting of the Legislature. Successors to those Trustees whose terms expire during an interim shall hold office for

a full term, unless they are rejected by the Senate. Neither the existence nor continuation of a vacancy in the office of the Trustee shall serve to impair or hinder any provisions of these Bylaws or the validity of the operation and actions by the Board by virtue of that vacancy alone.

Section 3. **Compensation of Trustees.** No Trustee shall receive any pay or emolument other than his/her actual expenses incurred in the discharge of duties as a Trustee; such expenses shall be paid or reimbursed from University funds, upon the authorization of the President of the University.

Section 4. **Primary Functions of the Board.** The Board acts as a public body corporate, and no individual member of the Board has the authority to act for the Board or the University. Communications to the Board shall be directed to the Board through the President or Chair pro tempore, except as otherwise provided herein. The Board of Trustees, as a public body corporate, has all rights, privileges, and authority necessary to promote the purpose of its creation, which is to establish and provide for the maintenance and operation of a state university in Mobile County. In accordance with such powers, the Board of Trustees shall have the power to organize the institution by appointment of instructors and faculty members, and such executive and administrative officers and employees, as may be necessary to operate the University, which the Board hereby delegates to the President; the Board may remove any faculty members or employees in its discretion, and shall have the power and authority to fix salaries or compensation, increase or reduce same at its discretion, all of which duty the Board hereby delegates to the President. The Board may prescribe courses of instruction, rates of tuition and fees, confer such academic and honorary degrees as are usually conferred by institutions of like character, and may do all else necessary and considered in the best interest of the institution to carry out the purposes of the institution.

Section 5. **Emeritus Status.** The Board, in its sole discretion, may recognize any Trustee who has served with distinction as Trustee Emeritus following said Trustee's term of service. Any Trustee so recognized as Trustee Emeritus shall have no voting rights and will remain Trustee Emeritus at the pleasure of the Board of Trustees. Such designation shall confer no responsibilities, duties, rights, or privileges as such but shall constitute recognition of service and experience and will publicly acknowledge that person as particularly suited for counsel and advice to the Board. The

Board encourages the availability of those who have been awarded Trustee Emeritus status for such counsel and advice and may request special services of them.

## ARTICLE II MEETINGS OF THE BOARD OF TRUSTEES

Section 1. **Annual and Regular Meetings.** The Board shall hold a regular annual meeting each year at the University on the first Monday in June, unless the Board, in regular session, shall determine to hold its annual meeting at some other time and place. Each year at the annual meeting, the Board shall schedule its regular meetings to be held during the ensuing year, and may designate one such meeting as the annual meeting of the Board. This schedule of meetings then will be recommended to the Governor for approval. The Chair pro tempore may cancel or change the date, place or time of a scheduled regular or annual meeting. The President will provide advance notice of such changes or cancellation. In any event, the Board shall meet at least once in each year.

Section 2. **Special Meetings.** In addition, other than the annual and regularly scheduled meetings of the Board, special meetings of the Board may be assembled, as follows: Special meetings may be called by the Governor by written notice mailed to each Trustee at least ten (10) days in advance of the date of the meeting; a special meeting shall be called by the Governor upon application in writing of any three or more members of the board. No special meeting shall be held on a date less than ten (10) days subsequent to the Governor's notice of the meeting, except in case of an emergency, which the Governor shall specify in his/her notice to the Board of Trustees.

Section 3. **Adjourned Meetings.** At any meeting, the Board may continue in session as long as it may deem proper for the welfare of the institution. Any session may be adjourned, as provided in *Roberts Rules of Order*, as last revised, and continued at a future time with proper notice to all members.

Section 4. **Quorum.** Seven members of the Board of Trustees shall constitute a quorum, but a smaller number may adjourn from day to day until a quorum is present. A majority of those

present shall govern unless a greater number is required hereunder. No Trustee for whom a conflict of interest exists shall vote on such matter before the Board.

Section 5. **Agenda.** The President shall mail to each member of the Board notice of the time and place of any meeting, which shall include an agenda for the meeting, at least ten (10) days prior to the time of meeting. The development and preparation of the agenda for Board meetings shall be vested in the President, who shall place such items on the agenda as are needed for the on-going operation of the institution and/or that require the approval of the Board. Members of the Board desiring to place any item or items on the agenda for meetings shall inform the President in writing not less than fifteen (15) days prior to the meeting concerning such items, and the President shall include the items in the agenda to be mailed out to the members of the Board in accordance with the foregoing. Any item not included on the agenda mailed to members prior to a meeting may be considered upon the approval of a majority of those present and voting; provided, however, that any discussion or action upon the election of officers of the Board and/or the appointment and/or termination, including a contract renewal, of the President of the University, must be specifically identified on the agenda that was mailed at least ten (10) days prior to the time of meeting. The agenda that is approved by the Board at the commencement of the Board meeting shall be considered the official agenda. The omission of an item from the official agenda shall not invalidate otherwise valid actions by the Board.

Section 6. **Minutes.** Minutes of all meetings of the Board and its committees shall be prepared and distributed promptly to all members of the Board under the direction of the Secretary of the Board. Upon approval by the Board or committee, such minutes shall be recorded in substantially bound books retained in the Office of the President under the direction of the Secretary of the Board.

Section 7. **Public Admission to Meetings.** All meetings of the Board of Trustees shall be open to the public, except that the Board may declare an executive session when the character or good name of an individual is involved or when otherwise authorized by law. Formal action by the Board resulting from any executive session discussions shall be taken by the Board in an open meeting and made a part of the official minutes.

Section 8. **Rules of Order.** Rules of order shall be in accordance with *Robert's Rules of Order*, as last revised, which are the normal governing parliamentary procedure rules. The Chair of the meeting will determine all questions concerning such rules.

Section 9. **Meeting Attendance.** Inasmuch as the Board of Trustees has determined that meeting attendance is crucial to the most efficient management of the University and operation of the Board, the names of all Trustees who do not attend at least half the meetings scheduled each Board year will be reported to the Chair pro tempore at the next annual meeting of the Board, and the Chair pro tempore will then take the actions he/she deems appropriate.

### ARTICLE III OFFICERS

The Board shall have the following officers and any other officers it may elect from time to time. Such officers shall have the powers and shall perform the duties as are set forth herein, together with those which may be authorized and delegated by the Board from time to time. The terms of office for the Chair pro tempore, Vice Chair, and Secretary will be three years, with elections held at the annual meeting of the Board corresponding with the expiration of those terms. If a vacancy occurs during the term of any such office, an election to complete the term of that office will be held at the next meeting of the Board.

Section 3. **Vice Chair.** Concurrent with the time of election of the Chair pro tempore for the term set forth for the Chair pro tempore in Section 2, the Board shall elect from its membership a Vice Chair. In the absence of both the Governor and the Chair pro tempore, the Vice Chair shall assume those duties. The Vice Chair shall serve on the Executive Committee.

Section 4. **The Secretary.** Concurrent with the time of election of the Chair pro tempore and for the term set forth for the Chair pro tempore in Section 2, the Board shall elect a Secretary. Through the Office of the President of the University, he/she shall be responsible for the preparation and distribution of notices of Board meetings and agendas. The Secretary shall serve on the Executive Committee.

Section 5. **Removal from Office.** Any officer of the Board may be removed from his/her office for cause by a two-thirds vote of the full Board of Trustees.

#### **ARTICLE IV COMMITTEES**

**Organization.** The Board may create such committees as it deems proper, and may assign to such committees any authority, duty or responsibility desired by the Board; provided, however, that all committees, except the Executive Committee, are advisory to the full Board. The committees of the Board shall consist of the standing committees created herein and other committees created by the Board from time to time. The standing committees shall have the powers, duties and responsibilities set forth herein, or subsequently assigned by the Board through adoption and approval of amendments to these Bylaws. Vacancies in committee memberships shall be filled in the same manner as when appointments originally were made. Committee members and the chair

and the vice chair of the committees shall be appointed by the Chair pro tempore for terms concurrent with the term of the Chair pro tempore.

**Method of Operation.** The committees and subcommittees shall meet upon the call of the President, the Chair pro tempore, or the chair of the committee or subcommittee. Unless otherwise provided, actions taken by such committees are not binding upon the Board, but shall be advisory, except those actions undertaken by the Executive Committee, as authorized in Article IV, Section I, herein. All recommendations and actions of the committees shall be reported to the Board of Trustees.

Section 1. **Executive Committee.** The Chair pro tempore shall appoint an Executive Committee consisting of seven (7) members of the Board, subject to the approval of the Board, with terms concurrent with the term of the Chair pro tempore, who serves as chair of the Executive Committee. The majority of the Executive Committee constitutes a quorum. With notice from the President or the Chair pro tempore, the Executive Committee may meet at any time. The Executive Committee has the power to transact all business of the Board in the interim between meetings of the Board and may perform all duties and transact all business necessary for the well being of the University, including, but not limited to, matters related to real estate, personnel issues, investments and athletics. However, action by the full Board is required to amend these Bylaws, remove officers from the University, select or remove the President of the University, issue bonded indebtedness on behalf of the University, or as otherwise determined by the full Board. Minutes of the Executive Committee shall be submitted to all members of the Board.

Section 2. **Budget and Finance Committee.** The Budget and Finance Committee shall be responsible for the review and study of budget requests; recommending comprehensive budgets; review and study of required audits; and submitting such reports and recommendations to the Executive Committee of the Board and/or the full Board, as deemed necessary and appropriate.

Section 3. **Long Range Planning Committee.** The Long Range Planning Committee shall be responsible for long range plan recommendations; review of new and existing academic programs; academic planning and organization; mission statement and statements of role and scope;

review of planning for new facilities; and other matters which may be referred to it by the President or the Board.

Section 4. **Health Affairs Committee.** The Health Affairs Committee shall be responsible for providing guidance to and receiving reports from staff and administrative personnel responsible for the University of South Alabama Hospitals and Clinics. It will consider and make recommendations requiring Board action relating to the Hospitals and Clinics and the College of Medicine. In addition to committee members designated as provided in these Bylaws, the committee includes, as non-voting ex officio members, the President, the Vice President for Health Sciences, Dean of the College of Medicine, the President of the Medical Staff of the University of South Alabama Medical Center and the Vice President for Health Systems.

Section 5. **Academic and Student Affairs Committee.** The Academic and Student Affairs Committee shall be responsible for receiving and reviewing information relevant to issues involving academic affairs and student affairs at the University.

Section 6. **Endowment and Investment Committee.** The Endowment and Investment Committee shall be responsible for establishing policies and guidelines to invest and manage the University's endowment and other investment funds and for submitting such reports and recommendations to the Executive Committee of the Board and/or the full Board of Trustees, as deemed necessary and appropriate.

Section 7. **Committee Participation.** The President of the University is vested with the responsibility of providing notice of all committee meetings to the members of the committees. The Chair pro tempore will serve as an ex officio member on each committee. The President and the Chair pro tempore may participate in all meetings but shall have no vote, except when the Chair pro tempore is a member of the committee. All committees assist and support the Board, President, faculty and staff in carrying out their responsibilities. Committees may request through the Office of the President any information necessary or appropriate to their deliberations. All committee reports and recommendations shall be submitted for consideration and are advisory in nature until they have been approved by the full Board. Any Board member may attend any committee meeting.

**ARTICLE V**  
**PRESIDENT AND DUTIES**

**Appointment of Chief Executive Officer of the Institution, the President.** The President shall be elected by the Board of Trustees and serve at the pleasure of the Board but may be removed only by a vote of eight members of the Board.

The President is the chief educational and administrative officer of the University. Unless excused by the Chair, he/she shall attend and participate in all meetings of the Board and may make recommendations on matters before the Board. The President does not vote on Board matters. The President shall be responsible for the execution of the policies of the Board and the Executive Committee and performing all those matters necessary to carry out the ends and purposes for which the University was established. The President shall have all authority necessary to conduct the programs of the University, including the authority to award degrees, add officers to the University which he/she deems necessary, delegate authority among subordinates and all other authority which shall, from time to time, be delegated by the Board of Trustees to the President. Prior to appointment of vice presidents, the President shall notify the Board of his/her intention to appoint such officers to the University. He/she reports to the Board on the current operations of the University and directs, coordinates and implements the planning, development and appraisal of all activities of the University of South Alabama.

**ARTICLE VI**  
**SEAL**

Section 1. **Official Corporate Seal.** The official corporate seal of the University of South Alabama shall be circular in form, encircled as follows:

**ARTICLE VII**  
**AMENDMENT OR REPEAL OF BYLAWS**

After the adoption of these Bylaws, they may be amended or repealed at any meeting of the Board by eight members of the Board voting in favor of same, but no such action shall be taken unless notice of the substance of such proposed adoption, amendment or repeal was given at a previous meeting or notice in writing of the substance of the proposed change was served upon each member of the Board at least thirty (30) days in advance of the final vote upon such change. However, by unanimous consent of the entire Board, the requirements for such notice may be waived. The Chair pro tempore may appoint an ad hoc committee which may meet from time to time to consider Bylaw amendments.

Adopted September 17, 2009

**UNIVERSITY RESOURCES PLANNING COMMITTEE****RECOMMENDATION-- TIAA MATCH PROGRAM****Background**

The University currently provides a TIAA Match program for specified faculty and administrative employees. The University provides an annual match of up to 3% for eligible employees who elect to participate in the program. If a participating employee reaches a salary level defined by the IRS as a "highly compensated employee", they are no longer eligible to participate in the TIAA Match program although they may continue to participate in TIAA as an individual on a voluntary basis.

In FY 2008 there were 477 participants generating a total match of \$951,582.47. There are 152 employees that are eligible for the program but do not participate.

**Recommendation**

- A. Terminate the TIAA Match Plan for employees hired on or after October 1, 2009. Current eligible employees that did not elect to participate in the plan prior to October 1, 2009, will not be eligible to join the plan
  
- B. Although the committee recommends no action at this time, if the financial condition of the University should worsen, the committee recommends that the TIAA Match Plan be suspended for current participating employees until further notice. When financial conditions permit, reinstate the plan for those participating as of the suspension date. Participants may then remain in the plan until one of the following conditions is met:
  1. The employee reaches the highly compensated level.
  2. The employee elects not to continue the plan.
  3. Termination of the employee through retirement, resignation, or non-reappointment.

Eligible employees that did not elect to participate in the plan prior to the suspension will not be eligible to join the plan when the plan is reinstated.
